

New Trade Show Vendor Information

The Californios Trade show is an invitational event held each year in conjunction with The Californios Ranch Roping and Stock Horse Contest, Reno Livestock Events Center, Main arena, Reno, NV.

Vendors are selected based on the suitability of their merchandise and its relevance to the traditional disciplines of old California vaquero and the Great Basin buckaroo.

Vendors are not accepted on a first come basis, they are selected based on the above information as well as the quantity of the particular merchandise already available in the trade show.

Vendors that wish to be considered should be able to provide information about their booth and the products they carry, including photos of their booth if available and some sample photos of those products. Web site referrals and email submissions are now acceptable.

Booth fees and details are provided upon acceptance.
